What to Pack

The suggested amount of clothing is an average figure. Camp does not provide laundry service. Please provide a laundry bag to pack soiled clothes! Pack enough clothes to last the full week—six days, including extra changes.....in case of accidents. Be sure to hand this form to the staff member checking your camper in.

We urge you to use the sew-on or iron-on labels to put your campers' name on all clothing. If not, clothing will be marked with a laundry type marker. We are not responsible for lost items. However, we will make every effort to see that all items are returned! Please contact us as soon as possible if items sent to camp are not returned or if you should return from camp with someone else's clothing. We will do everything possible to locate and return misplaced belongings.

Camp Summit is a residential camp and although we provide the basic necessities for each camper, the camper is required to bring the following items at the start of camp:
